*\*\*\*Since Life Groups are on break, feel free to use the following study questions with your personal devotions!\*\*\**

1) During the story in 1 Samuel 19, David wrote a psalm. In your bible, look up and read **Psalm 59:1-17**. What stands out to you from this passage?

Why did David choose to praise God in the midst of his suffering and fear? How was David able to do this?

Why did David specifically praise God for His **mercy**?

What can you learn from David's response that will help you face your own inevitable trials and suffering?

2) In 1 Samuel 19, David had to flee for his life from his own king and father-in-law. One of the ways David was strengthened was through his friend, Jonathan. Who are the people in your life that encourage you and strengthen you spiritually?

Who are the people in your life that *you* encourage and strengthen spiritually?

Are there any ways that you can do a *better* job encouraging others who are suffering? If so, how?

Another way David was helped was by remembering God's faithfulness when he fought against Goliath. What are some key moments in your life that remind you of God's love and faithfulness?

3) What are some things in your life right now that you need to trust God with? (Situations, relationships, sins, etc)

What are some practical ways you can feed your faith in God and His Word, while starving fear and the lies of the world?

4) Spend some time in prayer. Be sure to praise God for what He's already done, and for Who He is.
