**1) Read Acts 16:6-24 in your Bible.**

What are all the ways Paul and Silas suffered in Philippi?

Notice that the Holy Spirit supernaturally directed them to go to Philippi (v. 6-10) - yet their experience after arriving included much suffering, hardship, and unfair treatment. Why do you think God allowed them to suffer like this?

Do you think God is fair? Why or why not?

How would you have reacted if you were in Paul's shoes?

**2) Read Acts 16:25-34 in your Bible.**

Why do you think Paul and Silas sang worship songs through the night, while they were chained up in prison?

What do you think was Paul's goal or purpose in life?

Why do you think Paul and Silas sang worship songs through the night, while they were chained up in prison?

What do you think was Paul's goal or purpose in life?

What promise(s) of God might have brought Paul and Silas comfort amidst their suffering?

What things might Paul and Silas have been *thankful* for even as they sat, chained in prison, nursing their wounds from their beating?

**3) What verses of Scripture (or promises from God) are most helpful for *you* when you are enduring hardship, loss, or are treated unfairly?**

If God gave you a dream or vision, leading you to do something - would you expect it to be easy or hard, comfortable or painful, a walk-in-the-park or a walk-through-the-valley-of-the-shadow-of-death? Why or why not?

Is there anything God has been directing you to do? Spend time in prayer asking God to show you how He wants you to serve Him.

Is there anything you are suffering through right now? Spend time in prayer asking God to help you stand on His promises, to view your situation through an eternal perspective, and to find your strength in Him to endure.
