- 1) Look up in your bible Luke 16:19-31. What stands out to you from this passage?

Why do you think the rich man thought his brothers would repent if they witnessed one rise from the dead?

Why do you think Abraham said the brothers would not listen?

What are one or two things you can learn from this passage?

- 2) What are the possible side affects of someone who forgets their sin and need for a savior?

Do you think it is possible to get too stuck on your past sin? Why or why not?

- 2) What are the possible side affects of someone who forgets their sin and need for a savior?

Do you think it is possible to get too stuck on your past sin? Why or why not?

3) What do you think the following passage means?

**1 John 2:1-6** - "[1] My little children, these things I write to you, so that you may not sin. And if anyone sins, we have an Advocate with the Father, Jesus Christ the righteous. [2] And He Himself is the propitiation for our sins, and not for ours only but also for the whole world.

Read the next few verses below:

[3] Now by this we know that we know Him, if we keep His commandments. [4] He who says, "I know Him," and does not keep His commandments, is a liar, and the truth is not in him. [5] But whoever keeps His word, truly the love of God is perfected in him. By this we know that we are in Him. [6] He who says he abides in Him ought himself also to walk just as He walked."

Why do you think the Apostle John wrote such firm warnings like this (if you say that you know Jesus, but don't keep His commandments, you are a liar)?

4) What do you most want to remember this Christmas?

What are ten things you want to thank God for?

Spend some time thanking God for all of His goodness. Ask Him to help you never forget your need for a Savior. Pray for your family and friends who still need Jesus.
